Handout 11 - Government and Ethics 2

1. Choose three issues you know of, or that are mentioned in the following web site (http://ec.europa.eu/dgs/health_consumer/dyna/consumervice/consumervice.cf m), and outline the following:
 - what the issue/s is/are
 - which countries are involved specifically
 - what is the ethical angle
 - why the EU feels it is necessary to get involved
 - what the EU aims to achieve
 - how it aims to achieve it.
2. Present your findings back to the rest of the class.
3. Provide an overview of your perception of your own country responds to ethical issues. Would you like to see this change?
