

Examination rules:

- attending students that took the first written exam can take the second written exam **ONLY** IF the mark of the first exam is at least equal to 16/30;
- attending students, whose mark in the first written exam is not sufficient, have to take a global oral exam;
- it is possible to take global oral exam 1st December, during the second written exam.
- students that don't pass second written exam have to take a global oral exam. The date for them will be communicated as soon as possible.
